Change of our conditions - offer:

We offer not to charge any commission or contingency fee at all in out-of-court proceedings if

- the claim is not older than 3 years (2 years in transport industry)
- we dispose of a valid postal address and all contact details of the debtor
- we dispose of all documents like invoices, contract, delivery notes (POD's), CMR in transport business, correspondence
- we dispose of a signed Letter of Authorization (PoA)

We offer to charge only court fees in court proceedings if

- all the above conditions are met
- the principal claim and amount owed are below 15,000 EUR and more than 500 EUR
- no objections of the debtor are known
- the debtor does not object by filing an objection to the court
- the debtor is still solvent on the basis of our prior examination

It is therefore possible to achieve an enforceable enforcement order, writ of execution resp. judgment with an investment of 50-300 EUR depending on the amount of the claim. Please note that in Germany a legal table with the court and lawyer's fees applies, details on our website.

Please understand that we must reserve the right to check all these details before confirming these conditions. These conditions do not apply in the event of insolvency proceedings. The fees for enforcement proceedings are difficult to predict, but are regularly in the range of 50-150 EUR.
