New Online Form to upload your files:

Use our **online form OCR - Online Client Registration** - on the right/bottom on our website to send and **upload** your data and **files** securely and **data-protected**.
You also can choose the direct link [here>>](#)

Click on the picture and you will be guided to the **form of our law firm software**. You only need to fill in a few details.

The transmission takes place via **protected high-security servers**. The advantage for us is that the data can be immediately transferred to our office software and we can immediately start processing your case (General Data Protection Regulation GDPR compliant).

We will contact you immediately and confirm receipt.

Please and inform us if you not receive a confirmation of receipt within 48 hours.

An order or mandate only comes into effect with the express confirmation of the law firm. We reserve the right to make an examination. After the expiry of 3 working days after the request has been sent, a mandate shall be deemed to have been rejected if no confirmation has been received from the law firm.

Please ask again if necessary whether the data has been received.

Click and fill out a few information about the case
